RE: Invitation to Apache Alliance

My name is Stanley Montoya a legislative council member of the Jicarilla Apache Nation and the Secretary for the Apache Alliance Inc.. The purpose of this letter is to extend an open invitation to you or your representative to attend an Apache Alliance Inc summit that's going to be held on June 17, 18 and 19, 2014 in Payson, Arizona on the Tonto Apache reservation.

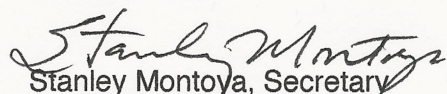

The Apache Alliance was founded by four (4) Apache tribes in October 19, 1973 in Phoenix, Arizona with the intent of coming together to assist one another in matters that may effect the Apache Tribes. So far there has been 6 Apache Alliance summits with 9 [nine] Apache Tribes members and on White Mountain Apache reservation established a board of directors, by-laws and a incorporate document.

I know this may be a short snap shot of the Apache Alliance Inc or you may already know about the Alliance, however it would be a great event should you chose to attend.

If you should have questions feel free to contact the following persons;
