

# OUR MISSION

Native Healthcare Center is dedicated to improving the health, wellness, and social well-being of Native Americans within Texas, underserved, and diverse populations through culturally respectful healthcare, education, and community-driven initiatives.

## ABOUT US

Native Healthcare Center is a community-focused organization based in Houston, Texas, committed to serving Native American, Indigenous, and underserved populations. Established in 2021, the center bridges traditional and Western medicine to provide culturally competent healthcare, education, and wellness services.

**Enhancing the health, wellness, and social well-being of Native Americans across Texas.**
